CAFOD 50 years - Give it up 2012

UK Aid Match is a scheme that allows the UK public to have a say in how some of the government's international aid budget is spent. The government will match pound for pound, public donations to charities which tackle poverty in developing countries. All donations made to Cafod as a result of Lent fundraising activities that happen from mid-February to mid-May will qualify, even if we receive your money after this three month period.

How will your money be spent?

Your parish donations and the funding from the UK government will help provide water, sanitation and other vital services such as health and education to some of the world's poorest communities. It will also help us promote the rights and welfare of vulnerable women and girls in developing countries. For further enquiries call 0300 100 0089

Marriage and Family Life Parish

Co-ordinators - We are hoping to establish a network of Marriage and Family Life Co-ordinators in each parish. This is not intended to be an onerous role, the main purpose would be to be a link person that we can disseminate information to in the future, rather than sending yet more e-mails to the clergy. We would be very grateful if someone in the parish would be able to fill this role. If so e-mail your name and contact details (particularly e-mail address) to: Catholicdavid@mac.com Fr. David Palmer

'GIFT - A New Group for Students

- Is there anything about the Catholic Faith you would like to know more about? Or is there any part of our Faith you do not understand? Has someone asked you a question about your faith that you couldn't answer? Maybe you haven't received your Confirmation yet and would like to prepare for the sacrament. Or would you like to know more about the Catholic Faith? If so this group is for you

The Catholic Faith is a gift and like every gift to really appreciate it you need to unwrap it and that's what the aim of this group is; to give us a better understanding of our faith. Each Week there will be a different topic to discuss... oh and there will be free food! Contact: Joe Hopkins 591878
